

Bergiero

LOUNGE CHAIR

Bergiero, shepherdess in Provencal, is a perfect balance between past and future, an expressive and modern vision of the ancient shepherdess. Its low, open silhouette offers a comfortable seat with a wide, sloping straw backrest. The carved wooden structure is made from 16 pieces of wood, finished and assembled by hand. The specificity of the mulching, revolving around the oak frames, assembled by hand, pays tribute to the Provençal heritage.
